Assume position shown, letting your injured arm hang relaxed. Swing your arm slowly forwards and backwards. Do not let the arm tense up. Repeat, with the arm moving side to side.

Repeat, with arm moving in circular patterns, clockwise and counterclockwise. Repeat for 2-3 minutes or as needed for pain relief.

In standing, clasp hands together. Use your good arm to assist your injured arm to raise both hands overhead, as far as you can.

Hold 5 seconds  
Repeat 10-15 times.  
Repeat 3 times per day.

Reach behind back with the injured arm. Grasp the injured arm with your other hand and try to pull the arm upward as far as you can.

Hold 5 seconds  
Repeat 10-15 times.  
Repeat 3 times per day.

Lie on your back, clasp your hands together. Use your good arm to assist your injured arm to raise both hands overhead, as far as you can.

Hold 5 seconds  
Repeat 10-15 times.  
Repeat 3 times per day.

Stand facing a wall. 'Walk' your fingers up the wall as high as possible. Reverse down in the same way.

Repeat 10-15 times.  
Repeat 3 times per day.

Stand with your back against the wall. Keep your upper arm close to the side and elbow at a right angle. Push the elbow back against the wall. Hold for 5 seconds

Repeat 10 times.  
Repeat 2 times per day.
